

1- Piping and fitting

- Stainless steel (S.S 304 – S.S 316L)
Stainless steel 304 (Schedule 5 – Schedule 10 – Schedule 40)
Stainless Steel 316L (ASME PBE – Schedule 10 – Schedule 40)
- Carbon Steel (Schedule 10 – Schedule 40)

Comment: Schedule 10 (seamless – welded) , Schedule 40 (seamless – welded)

2- Valves

- Ball valves (Hygienic ball valve – industrial ball valve)
- Diaphragm Valves (Manual diaphragm valve – pneumatic Diaphragm valve)

Comment :

Manual diaphragm valve (Two way valve – three way valve)

Pneumatic diaphragm valve (Two way valve – three way valve)

- Butterfly Valves (Manual butterfly valve – automatic butterfly valves)
- Sample valves (needle sample valve – diaphragm sample valve)
- Gate Valve
- Angle valve
- Modulating valve
- Globe Valve
- Non return valve(Gate non return valve- Ball non return valve)

3- Instruments

3.1 Tank Level Sensors

- Magnetic ball level sensor
- Pressure level sensor
- Ultra sonic level sensor
- Radar level sensor
- Capacitance level sensor
- Load cell level sensor

3.2 Flow-meters

- Turbine flow meter
- Ultra sonic flow meter
- Mass flow meter
- Electromagnetic flow meter

3.3 Sensors

- PT 100
- Pressure Transmitter
- Pressure Gage
- Conductivity sensor
- PH Sensor
- ORP sensor

4- Pumps

4.1 Hygienic pumps

- Centrifugal self-priming
- Centrifugal non self-priming

4.2 Dosing pumps

- Classic dosing pumps
- DLX dosing pumps

4.3 Industrial pumps

- Single stage
- Multi stage

5- UV Units

- Non Hygienic UV
- Hygienic UV with intensity monitor

6- Filters

6.1 Housing filters

- PVC Housing filters
- Stainless steel housing filters
 - Air Housing filters
 - Water housing filter

6.2 Cartridge filters

- Air cartridge filter
- Vent filters
- Water filters

7- Stainless Steel Tanks

- Single tank (Storage – preparation)
- Isolated tank (Storage – preparation)
- Double jacket (Storage – preparation)

8- Stainless steel works

- Skids
- Laboratory bench
- Step over bench
- Tables
- Chairs
- Stands

9- Water Treatment products

- Media
- Resin
- Membrane
- Filters
- UV lamps
- Chemicals
- Carbon

10- Hygienic Drain works

- Sanitary drain
- Sanitary clean out
- Sanitary pure grills

11- Pneumatic Accessories

- Air regulators
- Air filters
- Stainless steel quick connections
